Dear Crusader Nation,

As Athletic Director of the best Catholic High School that has existed for 57 years in Palm Beach County, it is with a great amount of pride that I look forward to continue to build upon the stellar foundation of our Cardinal Newman High School.

Here at Newman our athletes and students, due to parental support, our wonderfully gifted faculty, our coaching staff, and our administration, strive to achieve success on a daily basis based primarily on the values, leadership abilities, character, and commitment to faith that have been instilled in them.

Last year Newman saw many team goals attained as our Girls Lacrosse team won their District Title, we had 13 students sign with their prospective colleges for Athletics and we had 3 teams advance to the Regional Playoffs. Our young athletes have shown a commitment to excel in the future both athletically and academically.

As our school evolves we have completed many upgrades in the Raich Building and an outstanding upgrade to our Baseball Facility. Our renovations are not complete as we have many goals and objectives in our vision to achieve over the next several years.

Continually we seek a financial balance to compensate those students in need and value the principals of helping others throughout the community.

Parental and community involvement is essential and as Athletic Director I value open communication so that mutually new ways to support our programs are visualized and come to fruition.

We seek, tax deductible advertisements in our annual program, buying banners to be placed around our fields, and of course donations through a Cardinal

Newman endowment program in the name of someone very special to you.

“Crusader Nation” needs you! “Crusader Nation” wants your continued involvement both spiritually and financially. We look forward to seeing you on our campus at any one of our events.

As Athletic Director we seek your help to keep Newman at the forefront of High Schools in Palm Beach County.

A thought I would like to leave you with is, “Each Day is a gift from God and we all can make a difference”.

Sincerely,
Jay Lower
Athletic Director
